HOW TO USE THE MANCHESTER MEMORIES TIMELINE

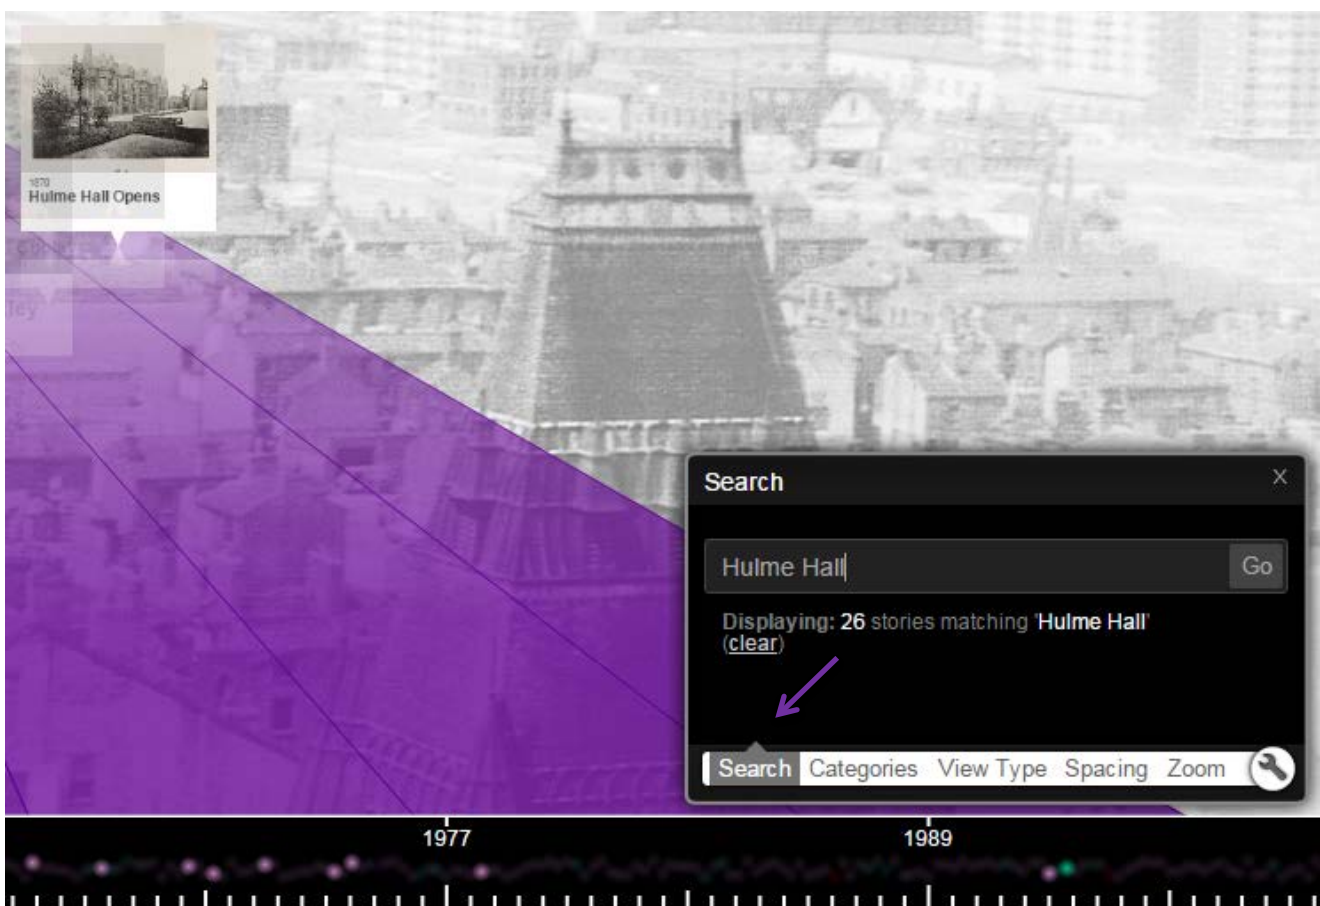

Drag the **horizontal slider** at the bottom of the timeline left or right to move through the years.

Click the spanner/ wrench icon in the bottom-right hand corner to open the **Viewer Control Panel**. This allows you to search using keywords, filter different categories and change the default view of the timeline.

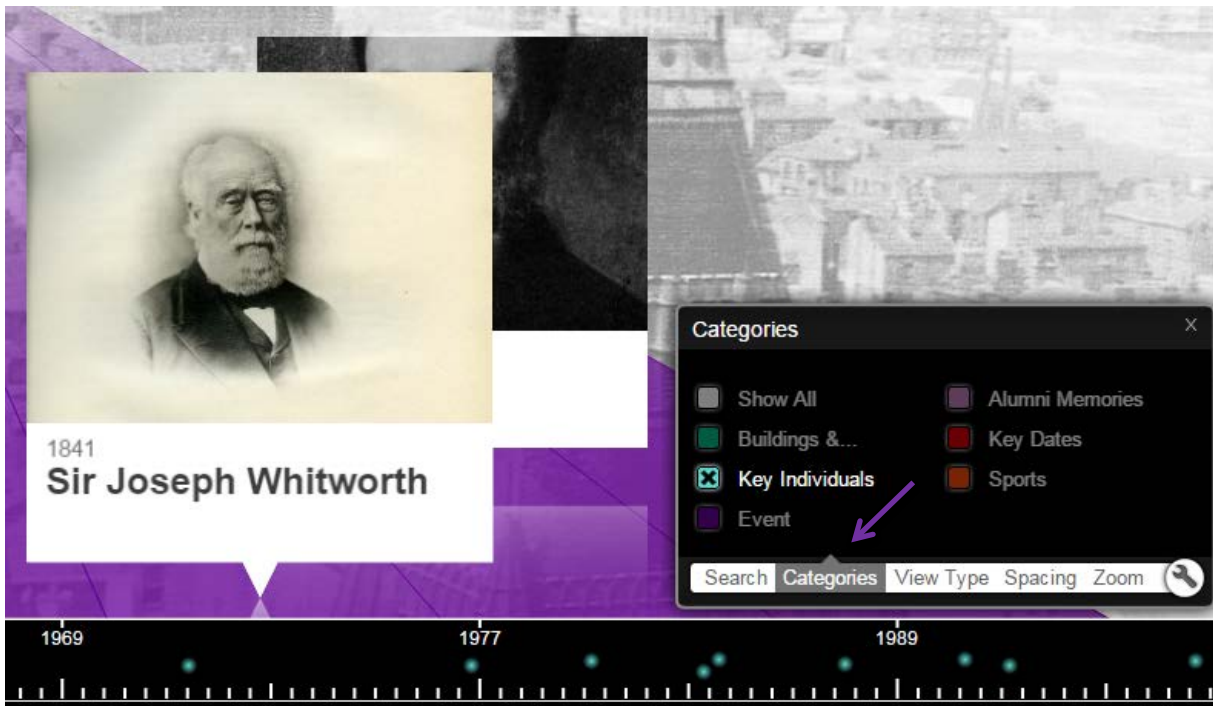

Type a **key word** into the search tab and hit enter to see all memories associated with that key word.

There are six different categories: Buildings and Cultural Institutions, Key Individuals, Events, Alumni Memories, Key Dates and Sports.

To filter a particular **category**, click on the 'Categories' tab, and then click on the coloured box next to that category.

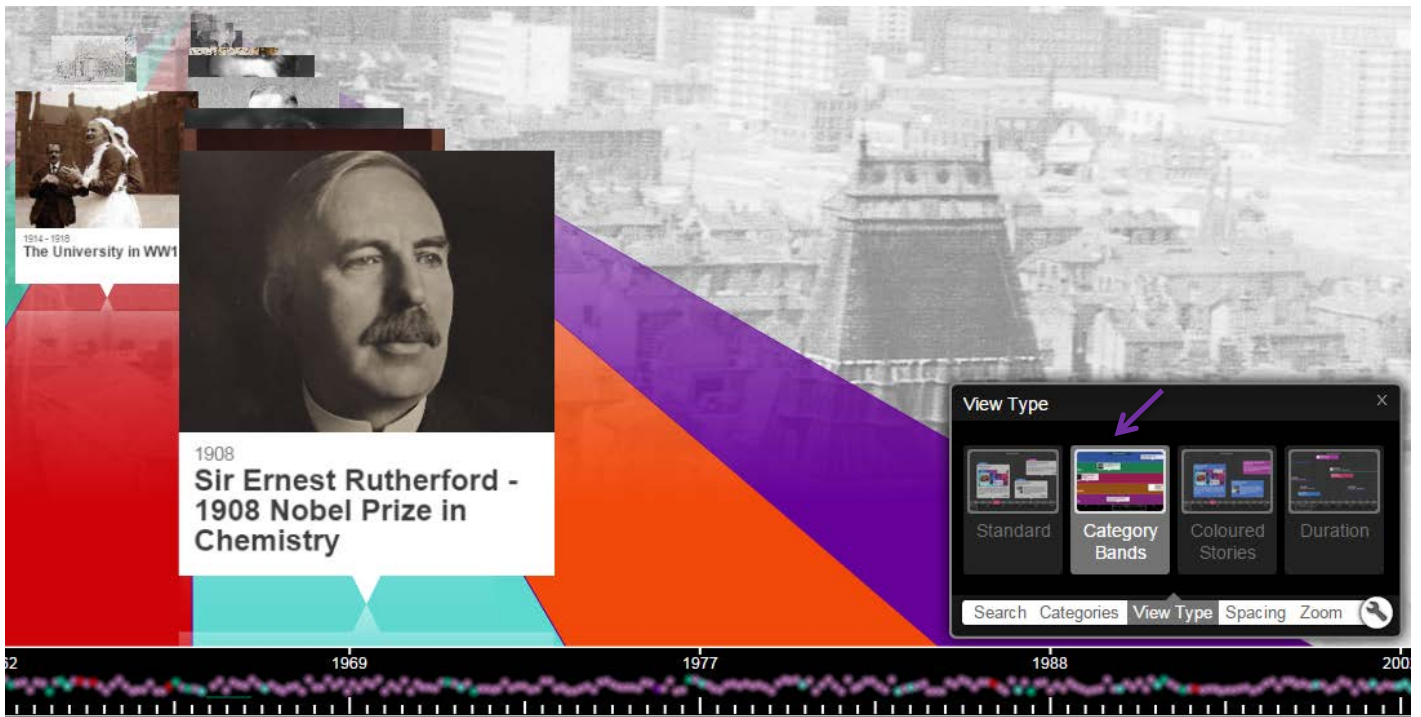

There are a variety of tags including: Chancellors, Cockcroft Rutherford Lectures, Halls of Residence, Heritage Heroes, Nobel Prize Winner, Outstanding Alumni Award, Publications, Vice-Chancellors and Volunteer of the Year.

To see all the individuals, dates or buildings within that particular **tag**, type in the search tab tag:Word.

If you have any further queries about how to use the Timeline, please contact david.hargreaves@manchester.ac.uk

To change the **view type** of the timeline, click the tab 'View Type,' and then select either standard, category bands, coloured stories or duration.

There is also the option in the bottom left-corner to toggle between **2D** and **3D** views. The picture below shows the 3D view.
